## Experience

### Web Development Instructor

Nucamp Coding Bootcamp, 2019 - present

Teaching beginning-to-intermediate front-end development, ranging from HTML/CSS/JavaScript to Bootstrap and React. Provide a weekly lecture and facilitate ongoing learning with intensive class projects and weekly assignments.

### Retail Administrator

Kemper Museum of Art, 2016 - 2017

Researched new products and product lines in accordance with exhibition themes and retail trends.

### Assistant Manager

Artist and Craftsman Supply, 2015 - 2016

Oversaw planning and realization of merchandising initiatives across store. Played central role in purchasing and staying abreast of market trends.

### Administrative and Curatorial Intern

Charlotte Street Foundation, 2013 - 2014

Managed donor database and as Intern-to-the Curator-In-Residence, provided essential research and preparator assistance.
